

"ALL ARTISTS SEARCH.

I search for *stories* in this post-self age. What happens when you can no longer call yourself an *individual*, when you have split your sense of self across several *instances*? How do you react? Do you *withdraw* into yourself, become a hermit? Do you *expand* until you lose all sense of your identity? Do you *fragment*? Do you go about it deliberately, or do you let nature and chance take their course?"

With immersive technology at its peak, it's all too easy to get lost. When RJ loses emself in that virtual world, not only must ey find eir way out, but find all the answers ey can along the way.

And, nearly a century on, society still struggles with the ramifications of those answers.
